

Exemplification

Ages 5-7 My Learning Progress - Sanatana Dharma - Who is God to Sanatanis

These are examples of the style of answer for each expectation. The content could be different.

	WORKING TOWARDS
I am kind and funny.	
Ganesha has an elephant head.	
They might be kind to animals.	

Year 1 expectation	WORKING AT
I have many different roles I take in life. I am cloakroom monitor which means I have to be tidy and I am a big sister to my brother.	
Sanatanis believe Brahman is one god and he is everything and everywhere.	
A Sanatani might choose not to eat meat because this means they have to kill an animal and all living things have a spark of life from Brahman so they don't want to do this.	

	WORKING BEYOND
I show different parts of me in different roles. I look after my grandad because he needs help. I am responsible when I take the register to the office. These things are all different but I am still me in every situation.	
Brahman can appear in many different forms and a Sanatani can worship these to worship Brahman. They might choose a different one to use in their prayers depending on what they need . They might use Lakshmi in their prayers if they want to be successful and have money.	
I think a Sanatani would not want to hurt any living thing because Brahman is present in everything and this would be like putting out the spark of life that Brahman gave that creature.
