

Assessment Outcomes

Ages 9-10 My Learning Progress - Christianity - Does belief in the Trinity help Christians make better sense of God as a whole?

(Please highlight a green, a blue and a red outcome) These are aligned to the sequence of teaching/ learning Steps 1-4 on the medium-term planning page.

Name:

Class:

Ages	Does belief in the Trinity help Christians make better sense of God as a whole?	Comments
WORKING TOWARDS	I can think of a gift/'power'/character attribute that I may have which may be useful to others. I can describe the members of the Trinity with some reference to the roles they have and start to understand that they are consubstantial. I can say whether or not I think a Christian may find the Trinity helpful in understanding God as a whole, showing respect to Christians.	
WORKING AT	I can explain how other people may have different aspects to their nature. I can make links between the consubstantial nature of God in 3 persons and the attributes that these persons share. I can reflect on the Christian belief in The Trinity and some of the sources of this belief and express thoughts on this.	
WORKING BEYOND	I can use my self-knowledge of the hidden and open aspects of my character to empathise with others who may also keep private characteristics which may be similar to or different from me. I can explain how the belief in the Trinity may help Christians to understand more readily the different aspects of God and how these contribute to God as a whole through the belief that it is still one God. I can explain my opinion on whether or not a Christian would find the Trinity helpful in understanding God as a whole.
